

Los Angeles County Perinatal and Early Childhood Home Visitation Consortium Data Workgroup

Home Visiting Program Outcome Indicators

These indicators are intended to measure short term outcomes for clients of all major LA County home visiting programs. They are based on the intended outcomes of the programs, national data collection efforts such as MIECHV and the Pew Home Visiting Project, and health care quality measures such as HEDIS.

Mission:

To coordinate, measure and advocate for high quality home-based support to strengthen all expectant and parenting families so that the children of Los Angeles County are healthy, safe and ready to learn.
